**ANNUAL NEIGHBORHOOD MEETING APRIL 10TH AT
SUDAKOFF CENTER
UNIVERSITY OF SOUTH FLORIDA 7:30 P.M.**

Come meet our new city commissioner NORA PATTERSON. She feels strongly about preserving and enhancing neighborhoods, and conserving our Bays. Mrs. Patterson has kept well informed about the North Trail Sector Study, and Gateway 2000's efforts thus far. Come help us extend a real IBSSA welcome to our new District 2 Commissioner. She'll give us a five to ten minute speech and then will remain after the meeting to socialize with us.

Mr. E.J. Stokes, acting Director to Transportation for Sarasota County, and Deputy Director of the Road Program will address our group on the Airport Connector Road/DeSoto Road. Mr. Stokes has been responsible for Sarasota County's road construction program since 1979, after having retired as a Colonel in the Army Corps of Engineers. He will bring charts and schematics along to help us to understand just what is happening in our DeSoto/41 area. Mr. Stokes said to give him ten minutes on the program.

All of you who attended our December annual meeting had an opportunity to hear Sherry Plaster of the City Planning Department explain the North Trail Sector Study to us. Sherry has agreed to give us a five minute presentation as to "where we go from here".

Frank Folsom-Smith, who has represented all of us on the executive board of GATEWAY 2000, will show some slides of the architectural students final suggestions for the improvement and beautification of the Gateway into the city, U.S. 41 or the Tamiami Trail as it passes through our area. Frank says that ten minutes will be sufficient for his presentation.

On the same evening, let's recognize Kerry Kirschner as our outgoing mayor and commissioner who has worked so very hard for us and for Sarasota.

We want to honor all our neighbors who have served either as an officer of the IBSSA or as one of its directors. You'll read more about this in another article in your Newsletter.

Mark your calendars for the annual neighborhood meeting on Wednesday, April 10th at 7:30 p.m. Eileen has arranged for us to meet in the spacious, beautiful Sudakoff Center. Our challenge is to fill the place. It's location is number 10 on the campus map.

WE WILL SERVE LIGHT REFRESHMENTS so that you can socialize. We are going to try to serve them out-of-doors. Something new.

DIRECTIONS TO THE SUDAKOFF CENTER: Go North on 41 to General Spaatz Blvd. Turn right (going East) to the first street and turn right (going South). Park in the first lot on your right hand side. The Sudakoff Center is the next building just South of the Parking Lot.

PAST OFFICERS AND DIRECTORS OF IBSSA, WE WANT TO RECOGNIZE AND HONOR YOU SO Y'ALL COME TO SUDAKOFF CENTER ON APRIL 10, 1991 AT 7:30 P.M.

Eileen has been trying to contact you by phone to extend a personal invitation; but, some of you are out, no answering machine, and some have even moved out of the neighborhood. For example; Karl Reinhardt who served as treasurer with me. If you have ever served on the board, at any time, please consider this as an invitation to come spend the evening with us. Please RSVP to EILEEN at 355-2621 so she'll have some idea as to how many to expect. Help me

1991 MEMBERSHIP LIST

Don Farr Chairman/Jeni Silver Co-Chairman

Many members asked that we publish the current membership roster, like we did for the first time last spring. It served as a reminder to those whose names did not appear that they had not paid their dues and were not eligible to attend the October picnic and the June play at the Asolo. They truly want to support the Indian Beach/Sapphire Shores Association and be good neighbors, they JUST FORGOT. We've received many requests that we mail individual reminders or statements to all of the card carrying members at the beginning of the calendar year, as so many other organizations and clubs do. A few say they simply misplaced the form printed in the newsletter.

Complete the form below and submit it with your \$10.00 check to Dorothy Simpson, 446 Sapphire Drive. Dorothy is our Assistant Treasurer, in charge of our membership records and dues collections. We are forming a talent bank as many have said they want to help the neighborhood in some way. Please let us know of your interests on the form. Some of our new volunteers will be serving refreshments April 10th.

DESERT STORM

IBSSA certainly joins the millions of other Americans who were so grateful to see the war brought to an early end. Some of your neighbors were among the many who had the joyful opportunity to welcome their, son/daughters, wives/husbands, sister/brothers, mother/fathers, or grandchildren home. The board felt it would be nice to keep a record of all those in our neighborhood who were involved in DESERT STORM. We would appreciate it if you would send us their names, rank, etc. for our archives.

We know how happy Mr. and Mrs. Ed White were to be able to welcome their son, Captain Christopher F. White at 11:30 p.m. last March 11 at El Paso, Texas. Captain White was a helicopter pilot. He was welcomed home along with eight plane loads of nearly 3,000 troops. What a happy, memorable, moving time for all of you.

Mr. and Mrs. John Lyons had two children in the campaign. We rejoice with them too.

LET US HEAR FROM ALL OUR DESERT STORM TROOPS!

NETWORKING MOMS?

Jeni Silver

What a concept! It's the nineties. Why not? If business people can do it, we can do it.

If you're a new Mom - 9 months to + 3 years, let's get together and talk about coping. While parenthood has its infinite joys, it can be exasperating and exhausting. You are not alone. For details about joining the new group call Jeni Silver 951-6771.

ASOLO CENTER FOR THE PERFORMING ARTS HAS DONE IT AGAIN...

The Asolo Center for the Performing Arts has graciously invited us to sit down together as a strong neighborhood association as we did last June, when I heard so many good belly laughs during the performance of The Mystery of Irma Vep. It was an excellent play, and I received many phone calls and notes thanking us for the opportunity Asolo extended to us. We did enjoy ourselves.

This year we have been invited to attend a Sunday evening performance of The Heidi Chronicles on June 2nd at 7:30 p.m.

The seating has been limited to a block of 200. We'll have the entire first floor, the orchestra. Aren't we fortunate? The rule; first come, first served will be strictly adhered to as it was last year. When we run out, we'll simply have to turn you away. The early bird will get the seats, so call me Eileen Linxwiler 355-2621 to reserve your seats right away. If I'm not at home, leave your name, address, telephone number, and the number of tickets you are requesting on my telephone answering machine, and I will return your call to confirm the reservation. **REMEMBER, YOU ARE ONLY ELIGIBLE TO ATTEND IF YOU ARE A MEMBER OF THE NEIGHBORHOOD ASSOCIATION.** The same rules apply for our annual picnic. So that you may be certain that you have paid your dues for 1991, we have printed a list of active members as of the date this newsletter went to print. If you have been overlooked, please check with Dorothy Simpson, Assistant Treasurer in charge of dues collections, at 355-4934.

NEW BEAUTIFICATION COMMITTEE FORMED

At the April board meeting action was taken to create a new BEAUTIFICATION committee. Jennifer Silver, Frank Folsom-Smith and John Hargreaves have been appointed as board members. The letter printed below explains the purpose and procedures we'll follow.

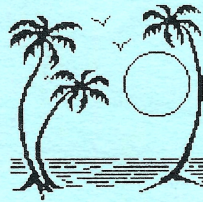

CERTIFICATION OF APPRECIATION FOR NEIGHBORHOOD IMPROVEMENT

John Hargreaves

Residents of the IBSSA are being asked to submit names of property owners of homes or businesses (those residing within the association boundaries) who have made significant contributions to the improvement of their buildings and/or grounds. This recognition will be on a monthly basis. An annual award for the most significant contribution will be presented to one of the previous 12 recipients.

This effort is being conducted to encourage and acknowledge beautification within our boundaries. Residents are requested to submit names to John Hargreaves, Chairman of the Beautification Committee at 351-2416 or 364-8453.

P.S. John, I would like to submit the following people on my block who have done tremendous jobs of improving their property. Lillie's 351 North Shore Drive, Boone's - they did two properties - 519 & 514 N. Shore, the Kulhanjian's - 336 N. Shore, and the Smith's 462 N. Shore. North Shore Drive has never looked so good. Great idea!

SAPPHIRE SHORES PARK

It isn't easy for me to write this report on the status of the park. You win a few and you lose a few. Your Board and many concerned neighbors spent lots of hours in bringing your almost 10 to 1 postcard vote to make the park a reality.

Our part, at the present time, is over, it's done! We will have our park - now it's up to the city to fulfill its part of the bargain. I've been told that at the present time a bid package is being prepared. It is to be reviewed by the heads of two departments downtown, and then sent to the office that advertises for job bids. The young lady I spoke with at City Hall says a guesstimate is that the construction may be underway by early to mid-May.

I personally am looking forward to an attractive passive neighborhood park, where I can go sit and visit with my neighbors in one of the most beautiful areas of Sarasota.

My Mother told me that I would probably fight a few battles in my lifetime for things that I believed in. I would win a few and lose a few. She was a firm believer however, in losing gracefully. Being graceful or a good sport is always easy when you win. She also told me that a majority (even of one) wins and you simply have to live with the results. I'm like Fredd Atkins when I say, "We've spent enough time on this issue" let's get on to other problems.

.....to forgive is divine. My wish is that the people that were opposed to the park would not bear grudges and would come back into the membership, this is my formal invitation to them to join us in our future endeavors to strengthen and beautify our neighborhood.

David Johnston, Landscape Architect, hired by the City to finalize the plans for the park, evidently did his best.

I'm hoping for a happy ending to this saga. Hope I have enough energy left to help clean-up the North Trail Shopping Center, and make it more pleasurable to shop there. We really need services and businesses near by to improve the quality of our lives here in the most beautiful part of the City of Sarasota. Thank you French Hearth for coming here!!! Now let's have a Hardware store again. I miss Adams-Howser.
